Limited liability: The foregoing remedy of component replacement is at the manufacturer's discretion and is the buyer's sole remedy. Manufactured components are subject to variance. Both polyethylene and rubber components are effected by heat, cold, sun and other environmental factors. Due to these tolerances it is important to note that manufactured parts may shift and change depending on environmental factors for the life of the product. See Terms & Conditions for further definition.

This warranty is in lieu of any other warranty, expressed or implied. It includes replacement of the failed component. It does not include installation labor, nor does it cover any consequential damages caused by loss of use of the vehicle or failure of the component. Manufacturer's maximum liability under this agreement shall not, in any case, exceed the price of the product claimed to be defective. There are no warranties of merchantability or fitness for a particular purpose.
